Zamflux

Empowering Smart Examinations

White-Label CoE Solution for End-to-End Examination Management

• Complete Examination Control • Zero Dependency • Full Compliance

For Autonomous Colleges & Deemed Universities

Operational Challenges in Controller of Examinations (CoE)

- Manual and fragmented examination workflows
- Frequent errors in results processing and tabulation
- High dependency on key individuals
- Complexity in managing autonomous colleges regulations and deemed universities regulations
- Data security vulnerabilities and audit risks

Zamflux
Empowering Smart Examinations

Zamflux: Simplifying CoE Operations

- Fully institution-branded Controller of Examinations (CoE) platform
